**\*\* Please mark which session you are attending \*\***

**Session A Details: ASCA National Model Training – A Practical Application of the ASCA Mindsets and Behaviors to Your Existing School Counseling Program: (9am-4pm)**

**Summary:** The "ASCA Mindsets & Behaviors for Student Success: K-12 College- and Career-Readiness Standards for Every Student" describe the knowledge, skills and attitudes students need to achieve academic success, college and career readiness and social/emotional development.

- The 35 mindset and behavior standards identify and prioritize the specific attitudes, knowledge and skills students should be able to demonstrate as a result of a school counseling program. School counselors use the standards to assess student growth and development, guide the development of strategies and activities and create a program that helps students achieve their highest potential.
- **This workshop helps school counselors to:** Operationalize the standards, select competencies that align with classroom lessons, small groups and activities addressing student developmental needs, develop program goals that align with standards, and align with the school's vision and mission.

**Session B Details: Academic and Career Planning (ACP's) – ACP Crash Course: (9am-4pm)**

- **Summary:** Are you a counselor from a district dragging their feet on Academic and Career Planning? Come to the "ACP Crash Course" at the WCSA Summer Academy. During this session you'll get a thumbnail presentation of "what" ACP is and "why" it is being mandated. You will also hear strategies on how to begin gaining buy-in from your other school staff start and the implementation journey. If you haven't done anything for ACP yet, the time is NOW!

**1 Graduate Credit for \$200 also available!**

For anyone registering for the workshop, there is an opportunity to earn one graduate credit through Viterbo University. The credit course will begin at 8:00 the morning of the workshop to provide time for course registration and explanation of requirements. Course participants will meet following the workshop to complete some of the onsite responsibilities and review the procedures for follow up assignments. Course payment and registration are separate from the workshop registration. For additional information or to reserve a place in the course, contact Stacy Eslick at [stacye@wscaweb.org](mailto:stacye@wscaweb.org).

**\*\* Needs:** If you have special dietary needs or require assistance with physical accommodations, please contact the WCSA Admin office at 608-204-9825.
